CUSTOM SOLUTIONS & PROJECTS

MHA can custom design and manufacture materials equipment specific to your application and requirements eliminating physical strain and promoting efficiency in the workplace.

Should you require a particular design, model or configuration MHA has your workplace, custom solutions covered!

Custom Trolleys

MHA offer customers a wide range of custom trolleys to suit their particular manual handling problems and workplace needs. This means that if any of our existing range doesn't quite meet your specific requirements, we can tweak one, or combine styles to create a completely different and innovative trolley. These are some examples of our customised trolleys.

Custom Stillage and Storage Cages

MHA offer a vast range of stillage cages for purchase. Our Storage Cages are an excellent form of warehouse and yard storage and designed to store long and awkward objects for easy transport. They help to improve workplaces as they can be stacked to make use of the vertical space in warehouses.

In addition to our vast range of Stillage Cages, MHA offer Custom Stillage and Storage Cages for purchase. Custom Stillage and Storage Cages provides an opportunity to create the best storage solution suited to your particular storage requirements.

Whether you are after a cage with foldable sides, removable lid, pallet base or whatever size, MHA will ensure this is a possible result.

Our Custom Stillage Cages are made to suit a variety of industries such as retail, logistics, mining, industrial, construction, transportation and warehouse. MHA are able to provide custom made stillages cages in any colour and any size to suit your requirements.

Custom Spring Loaded Rotating Pallet Tables

These Custom Spring Loaded Rotating Pallet Tables are the ideal solution for effortless and efficient material handling! Designed with convenience in mind, these tables have a unique spring-loaded mechanism that makes rotating pallets a breeze.

These Custom Spring Loaded Rotating Pallet Tables are designed to effortlessly turn your pallet, allowing for seamless access to goods from all angles.

Perfect for warehouses, workshops, and manufacturing facilities, these tables enhance productivity and streamline operations. Say goodbye to manual pallet turning hassles and embrace the innovation of MHA's Custom Spring Loaded Rotating Pallet Tables, for an easier and more accessible workflow.
