

Electric Height-Adjustable Workbenches with Side Panel Kit (2400x900mm)

The Verdex Electric Height-Adjustable Workbench with Side Panel Kit (2400x900mm) is the optimal choice for large-scale, high-traffic work environments. Featuring an expansive surface and additional side panel storage, this workbench maximises workspace organisation and enhances workflow efficiency.

The electric height adjustment system promotes employee comfort and productivity by allowing easy transitions between sitting and standing positions. Perfect for demanding industries like manufacturing, electronics, and laboratories, this workbench offers extensive customisation options to meet the specific needs of your team and operation.
